Celebration Under the Dome

ENDLESS POSSIBILITIES

Dear Friend,

For anyone with a San Diego Public Library card, the possibilities are endless.

Your San Diego Public Library system is the region's top provider of free educational and cultural programs, and plays a key role in developing the next generation of business and community leaders. Among our innovative programs are:

- *San Diego NExT*, a partnership with UC San Diego that prepares underserved students for the innovation economy with educational courses and pathways to college and career.
- Award-winning literacy programs that enable toddlers to enter school ready to learn, help students excel in the classroom, and teach adults to read for the first time.
- *Innovation and Digital Expressions Activity (IDEA) Labs*, learning spaces with 3D printers, state-of-the-art computers, video production equipment, and a recording studio.

The San Diego Public Library Foundation is fortunate to have generous donors like you, who help ensure that our 36 Public Libraries have the resources they need to help people succeed. **We hope you will join Honorary Chairs Joan and Irwin Jacobs, and Audrey Geisel, in supporting the Library Foundation's annual event, *Celebration Under the Dome*, by serving on the Host Committee and making a contribution of \$5,000.**

***Celebration Under the Dome*, which will be held on Saturday, November 11, 2017, will be an evening of endless possibilities.** You'll experience some of the Library's life-enriching programs while enjoying extraordinary cuisine and craft cocktails, outstanding music and performances, breathtaking views of our city, and multiple parties throughout the San Diego Central Library @ Joan A Irwin Jacobs Common. This is an event you will not want to miss.

As a Host Committee member, you will receive four guest registrations, recognition on the event invitation, listing on event signage and the Library Foundation website, and complimentary valet parking for you and your guests.

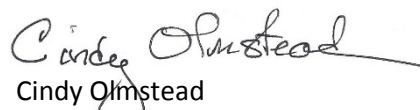

To receive full Host Committee benefits, **please respond by July 31, 2017.** We also have wonderful recognition opportunities for corporate sponsors which can be found at supportmylibrary.org/celebration. Please contact Megan Blair, Development Director, at 619-238-6615 or mblair@supportmylibrary.org, for more information.

We look forward to welcoming you to our Host Committee, and to sharing this very special evening with you.
